Fiji Short Adze Blade ex Grünwald coll.

A short adze blade of the classical Fijian type consisting of a finely polished basalt blade of squared section tapering narrowly towards each extremity. The cutting edge is remarkably small compared to the adzes of other neighboring cultures.

Fiji, Polynesia.

Black basalt

11,6 x 3,5 x 2,5 cm

200g

XIXth century or earlier

Inscription : Fidji, RG.1588
